Proudly Present to you...

TravelWeb™ Technology Package

What is TravelWeb ™:

- In collaboration between IATI™ and "Lebanese Programmers ™ "that we are launching the "TravelWeb ™ " system package.

- TravelWeb ™ is a portal for your company to the internet, it will increase your sales by creating a new channel for selling travel tickets online.

What is TravelWeb™:

- Do you wish to compete with big international air ticketing business like Expedia™ and SkyScanner™?
- It would not cost a fortune, but it will make you have business on Internet for WorldWide.

What is TravelWeb™:

- TravelWeb is a portal for your company to the internet, it will increase your sales by creating a new channel for selling travel tickets online.

- It will allow you to have a share of online air-ticketing market which is now more than 31 billion US $.

Abilities:

- TravelWeb ™ will allow your clients (individuals and companies) access to your ticketing services at any time and place while offering online payment options.

- The TravelWeb ™ package will include the domain name, web design and hosting, e-mail address for the respective domain and your company's profile, making it your interface to the online world.

Abilities :

- TravelWeb ™ giving you the all time open selling center, now you can sell your tickets even if at midnight or at 3:00 am.
- TravelWeb ™ is for far from city and international clients, all of them can now reserve their tickets from your TravelWeb ™ from their home or from their mobile too.

Abilities :

- TravelWeb ™ won't ask you to have a computer, you can reserve dynamically on your phone, easily and smoothly.

- With TravelWeb ™: if you don't have cash and you wish to pay by your credit card, this is your fast, reliable and strong option.

Abilities :

- TravelWeb ™ will provide you the online profile on Internet, so that everyone can find your details, your clients will rise more even in your office/s.

- With TravelWeb ™:no thing controls your business: not the place , neither the timing

- Let your reservations go beyond boarders.

TravelWeb™ Package:

- TravelWeb ™ will be done for you within just 30 days from the day you sign the contract.
- With TravelWeb ™:you will get a domain for you business, and emails on your website name.
- TravelWeb™ including cooperation with IATI ™ accounts, then you can redistribute IATI ™ accounts under your account and rise your selling rate on internet.

TravelWeb™ Package:

- TravelWeb ™ Shows your rent a car website for your clients to rise your renting ratio too.
- Nice and artistic design for TravelWeb™ website to attract more clients.
